MANKIND

From the mixedgrade class room to the modern Quarter system, from the red brick building to the large complexes, school still serves the same meaningful purpose — ''to effect a desirable development of young men and women." The teachers still make it possible, and the student, as always, is the main concern.

SPORTS

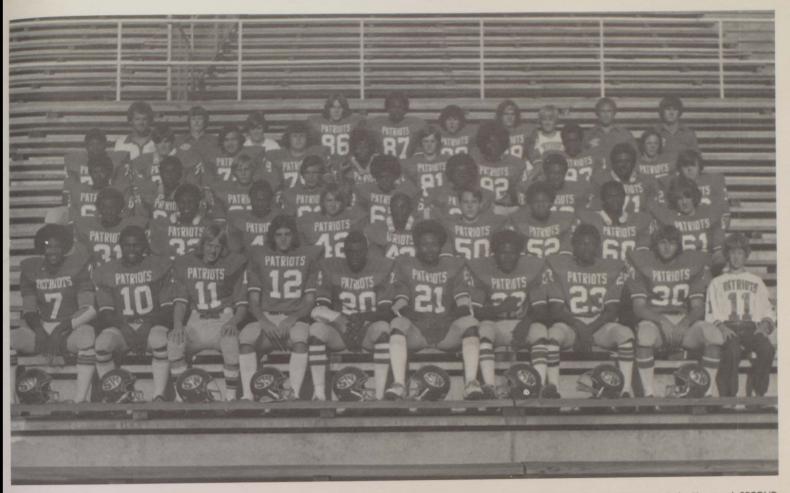

To see the first person walk on the moon brought the same swelling of pride and tense excitement then as it does today when our mighty patriot basketball team captures a place in the state tournament, our red machine completes the season with an 8-1 record, or our State-defending track team breaks its own records.

At Southwest, sports is not just blood, sweat, and tears. Sports is receiving an applause at an assembly, eating at a banquet, and sometimes even waking up in the morning to find your picture or name on the front page of the sports section of the daily news.

Today, our wins, our losses, our cheers, and our cries are remembered in a part of us — and the Spirit of '76.

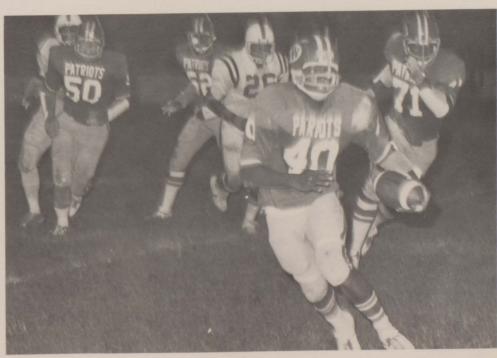

Best Season Ever!!

On September 6, 1975, the mighty Patriots defeated Waycross: 6 to 0. This win started the seven game unning streak the red machine would accomplish. From the easily won Riverside game to the ever challenging cross-town rival, Central, the patriots were able to capture their best season record: 8-1.

Region 4-AAA Champs!!

From local champions to state champions, the patriots have held them all—and this year was no exception. The defending state champions started the season without leadership. Yet, it wasn't long before Johnny Scott assumed the role and played it well. This 6-2 senior led the young team on to take the Region 4-AAA title and to capture fourth place in the State tournament.

. . . Awaiting the moments of the tip-off . . . and then the last seconds on the clock . . . the roaring of crowds to the movements of the cheerleaders . . . the anxiety of scorekeeping . . . the disputed calls of the referee . . . 20 ft. jumpers or the easy back door baskets . . . the agony of defeat or the ecstasy of victory . . . Patriots have experienced it all!!!

ORGANIZA-TIONS

nomination for the office of President
. . . Oh, No! I haven't paid my club dues and today is the last day . . .
Now, for a moneymaking project . . .
When are we going to the convention . . ?

Organizations, friends, good times together working for a cause — this is a part of the Spirit of '76.

Civitans

Southwest Junior Civitan engaged in many school related projects. In addition to hours of work at the Cerebral Palsy Center, the group provided entertainment for citizens in convalescent homes. At school, the members hosted the wrestling tournament, sponsored a tea for the teachers and measured Seniors for caps and gowns.

Civinettes

Cleaning the campus, painting the parking lot, making Easter Eggs for nurseries, giving food to the needy for Thanksgiving, collecting coloring books for the Medical Center children's ward, preparing bulletin boards and painting bricks for door stops are all part of being a civinette.

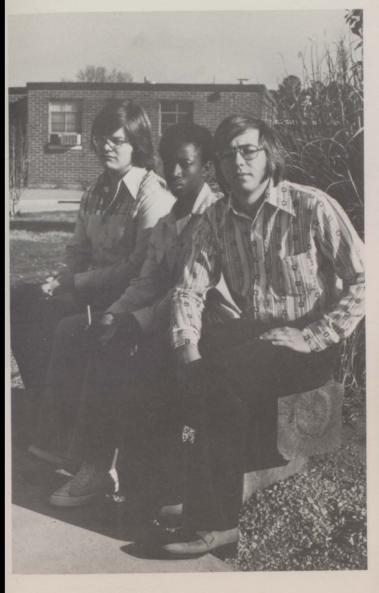

Beta Club

The Beta club has been involved in several projects this year. The McEvoy B chapter worked with Christmas Projects. They donated toys to fire stations, collected can goods for the Salvation Army and sent Christmas cards to the faculty of McEvoy B. Their Bicentennial Project was making ornaments for each teacher's desk to welcome them back to school for the new year. St. Patrick's Day Project was collecting donations for the Muscular Dystrophy Association. The Willingham B Chapter set up a tutoring service for students who were experiencing difficulty with school work.

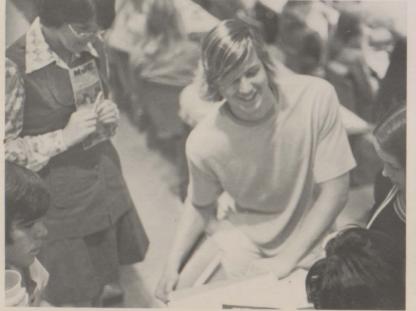

Annual Staff

Though new and very inexperienced, The Annual Staff, dedicated and determined, works untiringly toward the publication of an annual that is second to none. Developing expertise in photography, lay-out, editing, art work, advertising, and publishing in general, the staff is aiming for success.

Patri-Article Staff

In addition to the many activities involved in publishing the school newspaper, The Patri-Article, the staff finds time to visit publishing companies to learn more about the production of a top-rate newspaper. The staff attended conventions and sold candy as fund raising projects.

Complex Council

Complex Council started working long before the regular school year began. Summertime activities included car washes, workshops at N.A.S.C. convention and Berry College. The week before school started, council helped set up for registration and gave a tea for the faculty. Once classes started Complex Council was busy with sophomore elections, Bicentennial key chain sale, Homecoming elections, football pep rallies and dances, a luncheon for the basketball team, 6th district workshop, and Senior '76 jersey sales. The Exam Jam, a new activity initiated by the Council was held at the end of each quarter. Featuring spring sports, faculty talent show and the annual picnic lunch, Spring Fling Week was a roaring success.

Providing leadership through student government, planning pep rallies to boost spirit, racking your brain for better methods of student involvement, sponsoring dances for all to enjoy, working to improve your school . . . being a Student Council member.

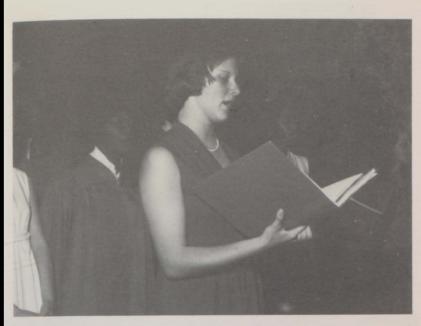

Chorus

With excellence in performance as top priority, the chorus has made a name for itself both locally and state-wide.

GAA

FBLA

Prerequisites for FBLA are VOT participation or enrollment in a minimum of three business subjects. A majority is involved in community work programs after school. FBLA sponsored a booth at the Macon Mall during FBLA week and distributed fruit to nursing homes during Thanksgiving Holidays.

The McEvoy B chapter of FHA included in its activities this year a fashion show. Other events were open house during "American Education Week", flowers to faculty members, Valentines to faculty members, a stationery sale and the painting of school garbage cans.

Food Service

Hosting teas and receptions, catering banquets for various community organizations and just taking advantage of being a part of a well structured class are primary concerns of this class. Exemplary of the fine manner in which this class operates is the fact that they are trained by a most capable instructor, Mrs. Addie Brewer.

Literary Staff

The main objective of the staff is to create a magazine, MONTAGE '76. Full of poems, stories, and other selections, the magazine is a publication of pride for many students.

AFS

American Field Service has been involved in raising funds to bring foreign exchange students to Southwest. Some of the fund raising projects were balloon sales, Christmas candle sales, cake sales and many other activities.

Red Cross

The Red Cross members have a busy behind the scenes club. Some of their responsibilities unknown to most of us include, the upkeep of the clinic, supplying it with first aid supplies, cleaning, beautifying the school grounds, and the distributing food and toys to the needy.

DECCA

VOCA

ROTC

ROTC students spend time each day drilling, practicing and marching in preparation for parades, flag ceremonies and other activities.
